Andy Hamon
IT Student

17 Pascual Deato St. Balangkas, Valenzuela, Philippines | andyhamon2005@gmail.com | 09946476421

IT student seeking an internship opportunity to apply foundational skills in networking, programming, and web development, while gaining practical experience and contributing to a professional technical environment.

Areas of Expertise
Web Development | Networking | Programming

Accomplishments
- Dean's Lister — recognized for academic excellence during the first year of BS Information Technology.
- Team Leader, National Learning Camp — coordinated assessment operations, supervised proctors, ensured exam integrity, and guided students.
- Built and maintained a personal network lab (Cisco Packet Tracer and physical devices) to practice routing, switching, VLANs, and firewall configuration.
- Developed responsive web projects (HTML, CSS, JavaScript) and backend scripts demonstrating full-stack workflows.
